AFFIDAVIT of PROBABLE CAUSE

Your Affiant is Detective Sergeant Earl Ackeman of the Pocono Township Police Department. Affiant has been a member of the Pocono Township Police Department since 2006 and was assigned to the rank of Detective in 2018. Detective Michael Scicutella is the Co-Affiant and has been a member of the Pocono Township Police Department since 2015. Detective Scicutella was assigned to the rank of Detective in 2022.

On October 12, 2026, at 1513 hours, officers from the Pocono Township Police Department were dispatched to the Great Wolf Lodge, Scotrun, Pocono Township, room 2030 for a suicidal female. The female, who was later identified as Metallica Harrison, advised Monroe County Control Center (MCC) that she needed help dying and she was unable to find the vein in her neck to stab.

Officers responded to room 2030 and contacted the Defendant at the doorway. The officers observed bleeding cuts on her left wrist and superficial punctures about the neck. The Defendant advised officers that she wanted to be with her husband and son. The Defendant advised that her husband was Charles Harrison and her son was T.H., a 3-year-old male.

Officers entered the room, locating a deceased adult male on a mattress laying on the floor and a deceased male child, on a separate mattress on the floor. The adult male was identified as Charles Harrison. Charles Harrison suffered multiple stab wounds to the chest. The child, T.H., appeared to suffer a single stab wound to the chest.

The Defendant was transported by St. Lukes Ambulance to the St. Lukes Hospital – Monroe Campus, located in Stroudsburg, PA, for treatment of her injuries. The Defendant was

accompanied by an officer of the Pocono Township Police Department during the transport in the ambulance. While in the ambulance, the Defendant kept making statements that she was not supposed to be here. The Defendant further stated "I fucked up, I fucked up. I just needed energy and strength." The Defendant stated how she didn't understand and asked why there wasn't an easier way. The Defendant inquired of EMS personnel how deep her wrist vein is so that she knew for "next time". The Defendant advised that she took medication to help thin her blood and expressed verbal frustration that the blood was clotting when is wasn't supposed to. The Defendant further stated, "everyday, I work so hard. To be the best person, the best mother, the best wife. It wasn't supposed to end like this. I was supposed to have my happy family. That's what I envisioned since I was a child."

Your Affiant was contacted and requested to respond to the scene to lead the investigation. Upon arrival, Affiant made contact with responding officers and conducted an overview of room 2030, in which the two deceased victims were observed. A large butcher kitchen knife was located on the floor of the bathroom with a smaller knife on the bathroom sink. Both knives had teal green handles, which Great Wolf staff confirmed was not a type kept by the lodge. Several bottles of medication were also observed throughout the room. On the floor next to Harrison was a plastic container containing a brownish red liquid, believed to be blood. A garbage can in the bathroom also contained a brownish red liquid, believed to be blood.

Affiant was briefed by responding officers and Great Wolf Lodge Security and learned the following information.

Charles Harrison, T.H., and the Defendant arrived and checked into the Great Wolf Lodge on September 21, 2026. On October 5, 2026, their reservation was extended, with a check-out date set for October 13, 2026. Security was requested to review video surveillance and to perform a digital review of room 2030's doorway activity. Video surveillance showed the whole family last entering the room at approximately 1853 hours on October 11, 2026. At approximately 2012 hours this same night, the Defendant exits the room and utilizes a microwave in the vending area. The Defendant returns to the room at approximately 2016 hours. The Defendant and Charles Harrison again leave the room at approximately 2243 hours, respond to the arcade, and return at approximately 2322 hours. No other

documented activity is captured on video surveillance. No other door activity is documented after this time.

Upon reviewing the 911 recording, the Defendant made the following statements: "I'm too weak to stab my neck", "I need police". When asked if she has any weapons, she confirmed that she has knives and said "that's what I've been using and it's not working". The Defendant stated, "I don't want to be here anymore" and that she needed "help dying". When asked if she is by herself, she responded, "my husband and son are already gone in the bed in the Livingroom." The Defendant then stated, "They're already gone, I'm sorry". At no time during this call did the Defendant request help for her husband or son.

Search Warrants were obtained for room 2030, Charles Harrison's vehicle, which was determined to be a 2014 Hyundai Santa Fe bearing PA registration L[redacted]arked in the lot, and one for the body of the Defendant.

Affiant and Detective Scicutella responded to St. Lukes Hospital to speak with the Defendant. Affiant advised the Defendant of her Miranda Warnings and requested to speak with her about what brought her to the hospital. The Defendant advised that she is "suicidal, not stupid" and advised that she was not willing to speak with this Affiant.

Affiant and Detective Scicutella executed the body search warrant, photographing the Defendant and collecting a buccal swab of DNA. While photographing the Defendant, except for the lacerations on her left wrist and puncture to the neck, no other injuries, defensive wounds, or bruising were observed.

Based on the above information, the Defendant is being charged with two (2) counts of Criminal Homicide.
